The company

Bimos -

eine Marke der Interstuhl Büromöbel GmbH & Co.KG

Brühlstraße 21

72469 Meßstetten-Tieringen

Germany

is authorised to label the following products/items with the INSPECTED QUALITY label.

Bimos Integral foam (PU) and Artificial Leather Magic

The labelling authorisation is based on the test report No. **VN350.284978.1 - 1** as well as the corresponding labelling guideline:

The Integral foam (PU) and the artificial leather were tested in one colour (black) and are resistant to customary disinfecting agents which contain alcoholics, aldehydes, quaternary ammonium compounds, Peroxide compounds, Alkylamines, Biguanides, Chlorine, Lye, Phenol or phenol derivatives as active ingredients.

The certificate holder has undertaken to the institute, through a declaration of conformity in accordance with ISO 17050-1, to label only goods conforming to the test sample with the INSPECTED QUALITY label.

This certificate is valid until 30.06.2029
