

BIOCLEAN-R™ MOONSHOT COAT

Reusable
MOC001

About

The BioClean-R™ Moonshot Coat is specifically designed and manufactured from lightweight, non-linting 100% monofilament polyester with a carbon grid woven within to provide antistatic properties. Suitable for use in either a sterile or non-sterile cleanroom environment. The MOC001 Moonshot Coat features stud front fastening, open wrists, one top pocket and two lower pockets.
